After checking with the support source mentioned in paragraph (c), two copies each of the following maps are forwarded:

1. GT 44 S-E Unclassified
2. GT 44 S(E) Confidential. This version of the chart is obsolete and no longer available, two copies were on hand, however, and are being sent. This version of the map has been replaced by RPC 12 (4 sheets) and RPC 12a (1 sheet).
3. RPC 12 (4 sheets)
4. RPC 12a

Under separate cover, because it should not be bent, is one copy of the GNOMONIC TRUE ~~CHART~~ <sup>CHART</sup> COMPUTER. This one copy was made on special order for use by ACIB, St Louis. Stock is not available at this time. A plastic version may be made at some future date, and may be available for distribution.
